The band states, “Dear World is our love letter to the planet. In the midst of all the chaos going on right now, we wanted to share this song in our best effort to share some hope. We feel like we can all be part of the solution and now it’s our chance to be the change!”

“Dear World” is the latest track to be released off the forthcoming EP, *Inside A Dream*. The 7-track set will also include the recently released singles “Goodbye” and “Future Me,” which have earned acclaim from the likes of *Vulture*, *Stereogum*, *MTV* and *Billboard*, who praises, “Echosmith is back in full force.” After much consideration, the band recently announced that they have chosen to move the release of their sophomore full-length album and North American tour to Spring 2018. See a full list of dates below. All tickets, VIP packages & pre-order bundles are still valid for the new tour dates.

Echosmith first emerged onto the scene in 2013 with their debut album *Talking Dreams*. The (Gold-certified) album produced the triple-platinum hit “Cool Kids,” and platinum-certified “Bright.” The band quickly earned rave reviews from the likes of *ELLE*, *Rolling Stone*, *Teen Vogue*, *Billboard*, *NYLON*, and more for their distinctive melody-minded, New Wave-influenced sound. They have performed on *ELLEN*, *The Tonight Show Starring Jimmy Fallon*, *The Today Show*, *Late Night with Seth Meyers*, *The Late Late Show with James Corden*, *Conan* and others. The Sierotas – Sydney (vocals/keyboard), Noah (vocals/bass), and Graham (drums) – have played to crowds of thousands at festivals and sold-out shows in the U.S. and Europe. The band has even joined Taylor Swift as a special guest on her *1989 Tour* in Philadelphia to perform “Cool Kids.”
