Earlier this fall, Echomsmith released their highly anticipated EP, *Inside A Dream*, which has earned acclaim from the likes of *Vulture*, *Stereogum*, *MTV* and more. *Billboard* praises, “Echomsmith is back in full force” while *Substream Magazine* attests, “Every song is a different take on shimmering indie-pop (some retro, some more futuristic) that’s so catchy, it’s hard not to sing along.” The 7-track set, which includes singles “[Dear World](#),” “[Goodbye](#)” and “[Future Me](#),” showcases a more mature and evolved sound for the LA-based Sierota siblings that is awash in shimmering synths, airy guitars, and heavenly vocals.

Echomsmith first emerged onto the scene in 2013 with their debut album *Talking Dreams*. The (Gold-certified) album produced the triple-platinum hit “Cool Kids,” and platinum-certified “Bright.” The band quickly earned rave reviews from the likes of *ELLE*, *Rolling Stone*, *Teen Vogue*, *Billboard*, *NYLON*, and more for their distinctive melody-minded, New Wave-influenced sound. They have performed on *ELLEN*, *The Tonight Show Starring Jimmy Fallon*, *The Today Show*, *Late Night with Seth Meyers*, *The Late Late Show with James Corden*, *Conan* and others. The Sierotas – Sydney (vocals/keyboard), Noah (vocals/bass), and Graham (drums) – have played to crowds of thousands at festivals and sold-out shows in the U.S. and Europe. The band has even joined Taylor Swift as a special guest on her *1989 Tour* in Philadelphia to perform “Cool Kids.”
