

## ECHOSMITH'S NEW SINGLE, "OVER MY HEAD" OUT TODAY ON WARNER BROS. RECORDS

**NORTH AMERICAN HEADLINE TOUR BEGINS ON APRIL 4**

**March 16, 2018 (Burbank, CA)** – Multi-platinum alt-pop sibling trio Echosmith have released a brand new single, "Over My Head," out today on Warner Bros. Records. As the first release since they returned to the studio late last year, the new song showcases the band's most evolved sound to date, with an inescapable synth-driven chorus and bold drum beats. It is the first taste of their next album which will be released this summer. The track is accompanied by a latte art-inspired lyric video, which was created with renowned latte artist Melannie Aquino and Lavazza, depicting the words of the song in whimsical foam and espresso designs.
